Attention of all concerned is hereby invited to the notification dated 27.01.2023, whereby online applications were called for from the eligible applicants for engagement as Gramin Dak Sevaks (GDS).

2. As per the schedule, the activities for registration/application submission were carried from 27.01.2023 to 16.02.2023. However, after start of the said process, certain modifications had to be carried out by the Department in the GDS Engagement Portal on different dates to make provision to configure some Educational Boards of four states based on different years of passing, as per list enclosed.

3. Since, the said educational boards (as referred to in para 2 above) with correct configuration of years of passing were not available for selection at the time of filling the online application from the starting date of the submission of online application process, there may be a chance of error on the part of candidates in selection of correct board and filling up the other details relating to the subjects studied, marks/grades obtained etc.

4. In order to provide fair chance to such candidates, it has been decided to open a 2 days window from 25.02.2023 to 26.02.2023, for review of their online applications and with the option to edit the Education Board, subjects, marks, grades etc. if not correctly filled up earlier. This limited facility/access for modification during the said two days window would be available only for the candidates who had filled up their applications
